REEL

Décor style streams from the essential Reel Collection. Ideal for the purest, these flush mounts seamlessly define the space securing the minimalist nuance. Available in three diameters, black or white, Reel exceeds excellence in delivering substantial light from the dedicated LED module. Features including dimmability, rated damp and durable acrylic lens, secure Reel's place as a perfect choice.

MODPLUS

ModPLUS is a revolutionary, contemporary flush mount, that is raising the bar in lighting. Our standard 7", 9" and 12" white flush mount, round or square, has a magnetized surface. The magic is in the magnet which allows you to keep it white or select an alternative finish by simply snapping on the trim of choice. Explore our 16" version, our motion sensor and emergency battery back-up options.

On the performance front, ModPLUS shines, delivering 760-2880 lumens via the integrated LED module.

ModPLUS also meets JA8-2016/Title 24 requirements with a color temperature of 3000k/90 CRI.

Dimmable and ETL listed, ModPLUS is transforming lighting as we know it.

MIA

MIA is so named for its softer interpretation of a fully functional flush luminaire. The fabric drum, matching metal trim and central knob, balance to deliver an attractive upscale flush mount. Not to be underestimated on the technology front, MIA delivers approximately 1800 or 2200 lumens of solid-state lighting at 90CRI, ideal for commercial applications.

SOLERO
Emergency
Lighting Technology

This fixture is designed to provide lighting in the case of a power outage or natural disaster. The design elements of this fixture make it aesthetically pleasing while not compromising safety in any way.

The Emergency Light is designed to provide lighting for at least a minimum of 90 minutes.

LUCID

LUCID couples technology and contemporary design at an affordable price point. Set in a decidedly modern chrome housing, the transitionally shaped acrylic diffuser portrays a softer modern air. A dedicated LED module equips LUCID with 1000-2100 lumens of light at 90 CRI and 3000K. LUCID - a flush mount that conveys easy contemporary design.

DISC

At a mind boggling 1/2" depth, DISC capitalizes on the low profile design possibilities that LED technology provides. With 800 lumens or 73lm/watt emanating from a mere 5.5" diameter, the lumen output is as impressive as the sleek design. Available in three sizes, and three finishes: brushed steel, bronze and white.
